

## Delaware Valley Section

### January 2016

The AACEI Delaware Valley Chapter President Mr. Ricardo Aviles, PE, PSP would like wish all our AACE International Delaware Valley Section Members a Happy and Prosperous New Year and to invite you to participate in the upcoming events.

If you have an AACE International Certification (i.e. CCP, CEP, CFCC, DRMP, EVP, PSP, CCT or CST) an easy way to obtain CEU Credits is to attend AACE International Section Meetings. 0.25 credits per meeting attended (1 CEU per year maximum). In addition to obtaining CEU Credits the knowledge gained from the presentations and networking with other professionals is well worth the effort.

#### January 2016 Monthly Meeting

Our January 13, 2016 Monthly Meeting presentation "Reality Capture – How it improves Design and Construction" will be presented by Greg Ralph of Varitronics Systems. The presentation focuses on the use of high tech sensing tools from hand held sensors to tripod mounted and drone mounted sensors to support project management and project controls processes. Please let us know by noon the Friday before the meeting if you plan to attend along with your choice of menu per the meeting notice.

#### A Reminder - 2016 Membership dues

If you have not yet remitted payment for your 2016 membership dues, please do so immediately to ensure that you continue to receive all of the benefits of membership with AACE, including free access to the TCM Framework and Recommended Practices. A confirmation email will be sent to you once your payment is processed. Please email us at [membership@aacei.org](mailto:membership@aacei.org) if you run into any issues.

#### Dates and Topics for Upcoming Meetings:

We meet the second Wednesday of the month, unless special circumstances occur. We are looking for presentors and/or ideas for our upcoming meetings. We have some tentative plans but would like to hear from you our members!

### Upcoming Live Webinars

#### 2016 Free Webinars Announced

The technical presentation webinars offered under the banner **Total Cost Management Today** are listed below.

- January 19, 2016 at 1:00 pm EST: **Strategies for Reducing Project Risk and Maximizing Profitability** - Presented by James G. Zack, Jr., CFCC FAACE Hon. Life
- February 17, 2016 at 12:00 pm EST (Noon): **Building an Owner's Project Management Maturity and Capability** - Presented by John Blodgett, Chris Durant, and James Wolf, CCP
- March 16, 2016 at 12:00 pm EST (Noon): **Effective Communication Through High Quality Reporting** - Presented by Matthew Baker, CCP

#### Receive Recertification Credit for the Webinar:

Within a week of the conclusion of the webinar, you will receive an e-mail regarding how you can obtain recertification credit for your participation for the webinar as well as rights to view the webinar as often as you would like in the future. As a registrant, you will receive a \$15 coupon toward the purchase of the archived version of this webinar. This includes a .1 recertification credit (one-hour). For someone not participating in live webinar, the fee would be \$25 for a member, \$40 for a non-member. The net result is that a member registrant will pay \$10 while a non-member will pay \$25 for recertification credits. This transaction will generate a certification you can use for recertification and continuing education purposes. This discount code will only be extended to the individual who registered for the live webinar.
