

Delaware Valley Section

September - October 2015

The AACEI Delaware Valley Chapter President Mr. Ricardo Aviles, PE, PSP would like to invite all of our AACEI Delaware Valley Section Members to participate in the upcoming events.

If you have an AACE International Certification (i.e. CCP, CEP, CFCC, DRMP, EVP, PSP, CCT or CST) an easy way to obtain CEU Credits is to attend AACE International Section Meetings. 0.25 credits per meeting attended (1 CEU per year maximum). In addition to obtaining CEU Credits the knowledge gained from the presentations and networking with other professionals is well worth the effort.

Our September 9th Meeting was a presentation on Deltek Acumen 360 by Alex Lemuz, a scheduling tool that can help bring project completion dates back on time.

Our October 14th Monthly Meeting presentation "Philadelphia International Airport Extend Runway 27L and Associated Taxiways" will be presented by Keith Shuster of Urban Engineers.
